Assist colleges in developing strategies to increase bachelor degree access in a particular region of a state.

Assist community colleges on the transition from Level 1 to Level 2 under their regional accrediting agency and to begin the process of offering bachelor degrees as an evolutionary step from the traditional community college mission.

Assist colleges in developing bachelor and graduate degree access by employing the University Partnership Model.

Background

37 years of higher education and state level experience related to community colleges and state universities; past academic vice chancellor in Florida; past Senior Vice President for bachelor programs and university partnerships at St Petersburg College; past vice president for educational services at Tallahassee Community College; past Executive Director, Postsecondary Education Planning Commission in Florida; past Florida SHEEO.
