

# **Student Success Initiatives in an RN-BSN Program**

**Dr. Meg Delgato**

# Program Overview

Started August 2002

FTF and OL formats

Dynamically-dated courses – occur one at a time

Two practicum experiences

Current enrollment: 753

Total graduates as of spring 2004: 952

# Pilot Programs

## Statistics

- Elementary Statistics course – Fall 2010
- Dedicated section for nursing students

## Writing

- Pearson's MyCompLab – Fall 2010
- Smarthinking – Fall 2010
- Online writing tutorials & tutors

# Strategic Planning

Strategic planning process started in Fall 2010

Primary focus was student feedback

Implemented in Fall 2011

# Strategic Plan

## Definition of student success

- *Helping students finish what they start*

## Two key initiatives

- *Out of class learning support*
- *Best condition for learning*

# Strategic Plan

## Out of Class Learning Support

- NIP Tutors
- Sample Student Work
- Rubrics
- Blended Courses

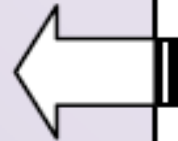

**Program Goal:**  
To prepare the graduate with a knowledge base and skills appropriate for baccalaureate-level practice.

# Strategic Plan

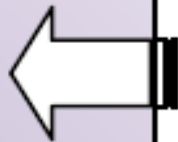

## Best Condition for Learning

- Tour of the Curriculum
- Writing Skills

**Program Goal:**  
To facilitate the graduate's appreciation for a continued commitment to lifelong learning for the promotion of personal and professional growth.

- General Education
- Advising

**Program Goal:**  
To broaden the perspective of the graduate by incorporating professional values within a liberal arts context.
